

Parent and Carer Workshops – Autumn Term 2018

Once again this term we will be running a variety of interesting and relevant workshops to provide parents and carers with valuable support and information.

Intensive Interaction – Led by Lucy Hankin

Thursday 11th October 2018

As part of International Intensive Interaction Week, we are delivering a workshop for Intensive Interaction which is an approach designed to help children at early levels of development to learn how to enjoy being with other people, relate, engage and begin to socially interact.

Autism Awareness – Led By Paul South

Thursday 8th November 2018

The aims of this session are to provide information on the core characteristics associated with the autism spectrum and to share practical strategies

Effective Communication Led by Helen Moore

Thursday 22nd November 2018

Different methods of communication used at Tettenhall Wood School that parents may use at home.

Finances and Benefits – Led by Welfare Rights

Thursday 13th December 2018

What are your entitlements, how to receive support with applications, what information do I need to include, these questions can be answered by the Welfare Rights Team based at the Wolverhampton City Council.

Venue: Tettenhall Wood School, Regis Road, Wolverhampton, WV6 8XF

Time: 9.30am – 11.30am

For more information or to **book your place** on one or more of these workshops contact the school on:
