

We have received really positive feedback from our recent online session on [Education, Health and Care plans](#) and our Question & Answer session. We are planning more sessions in the Autumn term. It is really easy to sign up for the sessions using Eventbrite. We provide you with the link to attend, a reminder and joining instructions. We will be there to help with any questions when joining the session.

Here is some of the feedback we have received from Parents and Professionals

"Excellent - very informative!"

"It has helped me to think about how I write my advice"

"This was really helpful; because I am part of the autism pathway, EHCP questions come my way a lot and it was really helpful to get the correct information"

"I think it has been very useful, and appreciate your answers to our questions"

"I think it was delivered very well and at a good pace, allowing for questions"
