

Online Sessions Autumn Term 2020

Aspirations and Outcomes

Wednesday 7th October 6 - 7pm

Join us for an interactive session where we will be thinking about your aspirations, exploring person centred planning tools and how you can get the support you need to help you achieve your outcomes

If you are a young person (16-25) with additional needs living in Wolverhampton, you will find this session useful.

Effective communication with parents and carers - working together to support learning and success

Tuesday 20th October 1.30 - 2.30pm

and Thursday 5th November 11 – 12 am

“Working together with parents and carers is essential to support a child’s learning success and well-being.

This is particularly important when a child has additional needs.

This session explores effective communication and recognising the importance of parental needs and emotions.”

For professionals working with children and young people with special educational needs and/or disability in Wolverhampton.

Q&A – special educational needs and disability

Tuesday 10th November 11.30-12.30

IASS will be answering your questions in relation to the law on special educational needs and disability; what you can expect from school-based support; EHCPs and Wolverhampton’s Travel Unit Co-ordinator will be joining us to answer questions on school/college transport.

If you live in Wolverhampton and have a child (0-25) with additional needs, you will find this session useful.

Q&A for young people with additional needs

Thursday 26th November 5.30 - 6.30pm

The Information, Advice and Support Service will be answering your questions about the support you can expect from your school or college; Education, Health and Care plans and the help available to you.

If you are a young person (16-25) with additional needs living in Wolverhampton, you will find this session useful.

EHCP taster

Wednesday 9th December 1 - 2pm

Join us for our online EHCP taster session where we will be covering:

Legal definitions

What an Education, Health and Care plan (EHCP) is

The EHC needs assessment process

Help and support available

If you live in Wolverhampton and have a child (0-25) with additional needs, then you will find this session useful.

Professionals working with children and young people in Wolverhampton are also welcome."
